CLERK:      26 ayes, 0 nays, Mr. President, on the advancement of 505A.

SPEAKER BAACK: LB 505A advances. Do you have items for the record, Mr. Clerk?

CLERK:      Mr. President, I do. Enrollment and Review reports LB 575 to Select File, LB 305, LB 305A, LB 453, LB 453A, LB 563, LB 510, LB 498, LB 498A, LB 201, LB 830, LB 387, LB 517, LB 817, LB 720, LB 472, LB 435 all to Select File, some of those having Enrollment and Review amendments attached. (See pages 1134-36 of the Legislative Journal.)

Mr. President, Natural Resources Committee reports LB 237 to General File with amendments and LB 570 to General File with amendments. (See pages 1136-38 of the Legislative Journal.) That's all that I have at this time, Mr. President.

SPEAKER BAACK: Thank you, Mr. Clerk. We will pass over LB 444 because Senator Robinson is not here and we'll go to LB 627.

CLERK:      Mr. President, 627 has been discussed on the Legislature, specifically March 17. At that time the committee amendments were offered by Senator Lindsay.

SPEAKER BAACK: Senator Lindsay, would you like to just give us a quick brief summary of the amendments so we have that in mind again.

SENATOR LINDSAY: Thank you, Mr. Speaker, members, I would remind you that these committee amendments, what the committee amendments did to the bill was to keep in place some of the provisions that the committee members thought ought to be, before the bill was advanced, thought ought to be kept and those provisions include changing the parole dates for second degree murder, keeping in the enactment or the creation of a boot camp proposal, putting restrictions on post conviction relief and including a requirement that eligibility for parole include the inmate remain alcohol and drug free and that testing be done. It's my understanding that there will be an amendment offered to the committee amendments that will significantly change them and I would simply urge that we consider those and then advance the committee amendments.
